District Board, Mysore District

To

B. Ramaswamaiyya, Esquire, B.A.,B.L.,
Secretary to the Government of H.H. the
Maharaja of Mysore, Revenue Department
Bangalore.

Sir,

With reference to para 2 of Government Proceedings No. 6879-904 L.B. 104-16-2 dated 28th April 1917 re the revision of the establishment of District Boards, I have the honor to state that the details of revision outlined in the above para are in my opinion suitable. But as a large number of estimates and work bills have to be checked in the office, I am of opinion that the appointment of a Draughtsman on Rs. 35- is necessary. The need of having a man with professional qualifications who can check estimates and bills is very keenly felt. The Maramat Supervisor and his staff cannot be employed on this work, as they have quite enough to do in their own branch of work. I would therefore propose that the establishment detailed in the Government order under reply with a draughtsman on Rs. 35 may be sanctioned for the District Board work of this District.

2. As regards the establishment required for Municipal work the appointment of one clerk would not be sufficient as far as this District is concerned. Besides the City Municipality of Mysore there will be as many as 24 town and minor Municipalities. The general control which the Deputy Commissioner has to exercise over these necessitates that the proceedings of all the meetings should be scrutinised. The monthly accounts will pass through this office and abstracts of income and expenditure have to be maintained. The budgets of 21 minor Municipalities will

have to be scrutinised and sanctioned and their administation reports ~~received.~~ reviewed The budgets and administration reports of - the town municipalities also will have to ~~xx~~ pass through the Deputy Commissioner and be scrutinised by him. The correspondence between the Government and certain heads of Departments on the one hand and the several municipalities on the other - , will also pass through this office. Further the statistics of plague, cholera and small-pox and the general vital statistics of these municipal areas will have to be compiled and sent to the Sanitary Commissioner. I am of opinion that the following establishment is required for Municipal work in this office:- .

1	clerk	on	Rs. 35
1	--do--		20
1	Peon		8

I have the honor to be

Sir

Your most obedient servant

Deputy Commissioner

and

President of the District Board

Mysore District.
